END OF TERM PROVISIONS

When the contract reaches the end of the selected GOP, any remaining funds will automatically convert to a 1-Year GOP. No withdrawal charges or MVA will apply to the 1-Year GOP. The rate on the 1-Year GOP will be determined annually and conveyed to the Contract Owner.

Upon reaching the contract maturity date, the contract value must be annuitized under one of the available annuitization options or surrendered.

RATE LOCK

A 60-day rate lock will be applied to Staysail applications received in good order within 14-days of the application sign date. The rate lock begins on the date the application is signed. If the contract is issued within the 60-day rate lock period, the contract will receive the greater of 1) the interest rate in effect on the date the application is received in good order or 2) the interest rate effective as of the date the funds are received. If the contract is issued beyond the 60-day rate lock period, the contract will be issued with the current rate for the selected GOP term. If the contract is funded from multiple sources, the contract will be issued once all funds specified in the application are received.

Staysail is not available in all states.

Additional benefits are available via riders to the contract and vary by state.

WITHDRAWAL CHARGE

Knighthead Life may impose a Withdrawal Charge and MVA against certain withdrawals from the GOP account value. Withdrawal Charges and MVA will be calculated in accordance with the Withdrawal Charge Schedule shown on the Contract Data Pages.
